

asrt Order Form for Radiography Simulators — Powered by Ziltron:

Annual Educator Access per Student

Use this order form to order educational or institutional products.

Radiography Simulators — Powered by Ziltron: Annual Educator Access Per Student

Available online. Not for credit.

Item #	Module	Quantity (Number of Students)	Member	Retail
16701	Radiography Simulators — Powered by Ziltron: Annual Educator Access per Student	_____	\$39.95/student	\$69.95/student
	Ziltron Director			FREE!

These 30 Web-based simulators teach anatomy, collimation and positioning. With each purchase, one student receives access to the simulators for one year. The free Ziltron Director allows faculty to create assignments and monitor student progress with a real-time scorekeeper that tracks performance on test sets.

Within two business days of processing your order, we will send you an e-mail explaining how to register and receive access.

An Innovative Way To Teach An Innovative Way To Learn

Radiography Simulators – Powered by  **ZILTRON**

Empower and challenge your students with these 30 Web-based radiography simulators. Bridge classroom learning and clinical experience anytime, anywhere.

- **Image Anatomy** – Nineteen simulators demonstrate radiographic, cross-sectional and surface anatomy from facial bones to limbs.
- **Collimation and Centering** – Five simulators evaluate students' collimation and centering skills.
- **Positioning** – Six simulators check for accurate positioning techniques.
- **Keeping Score** – Real-time scorekeeper tracks students' performance on test sets. Select the Annual Educator Access option to monitor student progress online through the Ziltron Director.
