- ASRT Delegate Orientation

June 2024

- ASRT Preconference Board of Directors Meeting
- ASRT Educational Symposium and Annual Governance and House of Delegates Meeting
- ASRT Sergeant-at-Arms Orientation

Most Memorable Experiences:

The past year has been an amazing journey for me filled with meetings, conversations, understanding and personal growth. Working with the various House committees was an enlightening and wonderful experience. The amount of knowledge I gained from the professionals representing the various modalities of medical imaging and radiation therapy is priceless. The dedication and passion each volunteer brings to a meeting exemplifies why the ASRT is a world-class organization. The committees are supported by amazing staff who helped facilitate, document and organize committee responsibilities. I am excited to bring the work of these committees to the ASRT Annual Governance and House of Delegates Meeting.

Closing Remarks:

I cannot express how grateful I am for the opportunity to serve on the ASRT Board of Directors. As the only new Board member, I had much to learn. My quest for knowledge and understanding often came with questions. Thankfully, they willingly answered every question with a smile. I am proud of the work we completed. Madame Speaker, Shellie Pike, thank you. It has been a pleasure to work beside you. Your knowledge is impressive, your words are impactful, and your insight is invaluable. Thank you to Dr. Pergola and the extraordinary group of individuals whose knowledge and skills allow the ASRT to function seamlessly.

This year has been very busy. Hours spent in meetings, traveling and working for ASRT members were made possible by those who covered my other responsibilities as a wife, daughter, employee and clinical preceptor. Thank you for allowing me to dream big.
